Now that we have introduced some vocabulary with Food Italian let's review and see what we have learnt:

- You should know how to name at least 10 foods in Italian.
- How do you say you like or do not like them?
- How do you ask for food at a restaurant?
- How do you say you would like to try something?

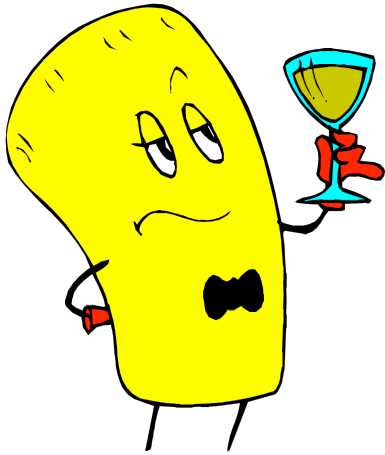

What could this man say?

---

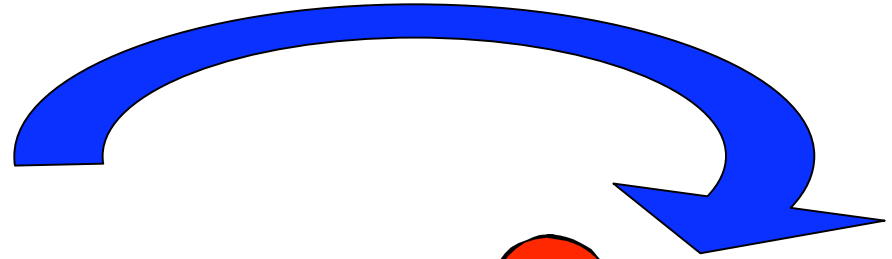

...and this one?

What is there under the pan?

Say that you like it a lot !

# NON MI PIACE...

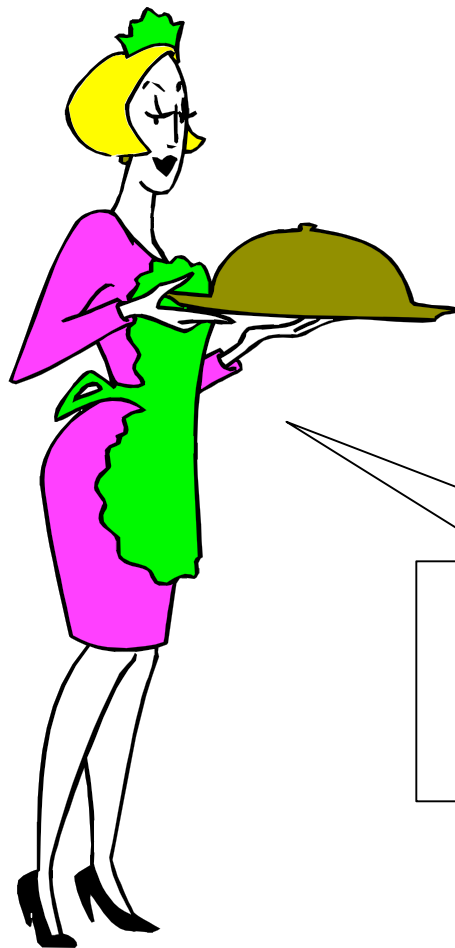

LIST foods that you don't like . Pay attention to articles and agreements.

Non mi piace questo  
bicchiere di vino!!

Following the examples offer food  
to people you don't know.

---

Vuole un piatto  
di pasta?

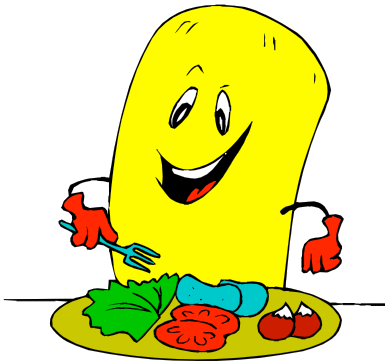

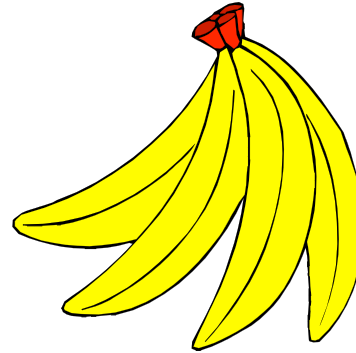

Desidera una  
rosetta fresca?
